A Webinar on the topic "Chemist is the Catalyst" scheduled on 1st July 2020 at 11.00 AM was organized by Department of chemistry and Research Centre and IQAC of Pope's college (Autonomous). The session was presided over by Mr. Alfred Devanesan Samuel, Senior Consultant, (Design Research Lab)-Infosys, who firstly commended all the students and research scholars for their interest of learning chemistry during the lockdown through online mode.

Students, research scholars, and staff members from our chemistry department, as well as research scholars from other colleges, attended this session. The session provided clear idea and understanding of Research and Opportunities in Chemistry. This webinar has over 280 registered attendees. The webinar was delivered via a Zoom link and the E - certificates are issued within one week. Dr. Ilavarasi Jeyamalar the webinar's coordinator expressed her gratitude to the Principal, Secretary, and IQAC coordinator for providing a platform for students' knowledge enrichment, as well as Mr. Alfred Devanesan Samuel, Senior Consultant, (Design Research Lab)-Infosys, for his innovative speech.
