5.	Guest / Resource Person Address by	:	Mrs.G.Jeya Sudha Perciya Head, Department of IT Pope’s College
6.	Resource Person Address	:	Discussed about Google Classroom, as the name suggests, is a virtual classroom that makes learning easy and fun. Teachers can integrate educational apps or websites and create interactive assignments . Microsoft Teams is another popular tool for IT professionals. And similar to Trello, it has several applications for teachers and educators. Microsoft PowerPoint: You can use HD images and create slides to clear the biological concepts for the kids. Also, you can download templates from Slidesgo and make the job even easier. YouTube: What’s better than using videos for explaining complex biological processes via YouTube videos. From digestion to excretion, you can find plenty of child-safe content on YouTube.
