Report

The Biodiversity Awareness Exhibition was conducted by our department for two days on **12.03.2022 and 14.03.2022**. The exhibition was inaugurated by Dr. R. Immanuel, Principal of the College, who encouraged the students and highlighted the need for biodiversity conservation. Dr.Y.S.Santhi Pon Indira, Head, Department of Zoology presided over the function. This exhibition was meant for creating awareness among young minds on conserving plants and animals (biota) by understanding the diversity of **fauna & flora** and necessity of conservation.

The exhibition featured specimens of all animals ranging from single-celled organisms to multi-celled organisms. It also includes collections of rare animals, archaeological forms of ancient animals, highlighting the importance of biodiversity. Rare collections of butterflies that were found in the Sawyerpuram area and the skeletal inner frame of various animals were displayed.

Conceptual drawings, charts and models highlighting the importance of plants in environmental protection were also displayed. “Audio-visual shows” illustrated the need to conserve biodiversity and a “quiz show” was conducted to explore students' understanding of biodiversity conservation.

Different models of biodiversity and nature conservation have different applications in the field of Zoology like Sericulture, Palm cultivation and scenes illustrating the importance of poultry farming and integrated farming were also on display. The students who participated in the exhibition took notes on the information they collected with great interest.

In addition to the all above features the second day of the exhibition featured antique artefacts they had collected by Mr. Ponchandran (Prabha Antiques) from Nazareth. A good Collections of antique household items such as coins of various countries, postage stamps, antique

phones, radio sets, gramophones, matchboxes vintage electronic goods brass utensils were on display.

Snacks were given to all the student participants. More than 100 teachers from 16 schools and more than 2000 school students and our college students participated in the exhibition for each school and gained awareness on the conservation of plants and animals. Students from various primary, middle, high and higher secondary schools, various departments of our college students, school principals, school teachers and college professors who appreciated the work of the students.

All the participants were impressed by seeing the wonderful collections in different categories. A good collection of antiques such as coins, stamps, vintage electronic goods like gramophone, brass utensils of last century were also displayed. At the end of the exhibition in order to inculcate the habit of planting trees among students, 75 tree saplings were given to each school and everyone appreciated this zealous effort in the field of zoology.

Over 2K students take part in science exhibition

Thoothukudi: Over 2,000 students from 16 schools visited Pope's College in Sawyerpuram on Tuesday to get a glimpse of the science projects displayed as a part of two days exhibition 'Life Science Exhibition on Awareness of Biota Conservation'. The students of the zoology department had made over 600 projects to create awareness among the young minds on conserving plants and animals. Head of the Department of Zoology, Dr YS Santhi Pon Indira said, "The display materials included 80 innovative science projects crafted by the zoology department students and over 500 museum specimens of various animals, marine species and antique collections." The exhibition was inaugurated by the college principal Dr Immanuel. ENS

REPORT

INTERACTIVE SESSION ON
"POSTMODERNISM AND EDUCATION"
DATE: 26.03.2022

The Department of Chemistry & Research Center of Pope's College, Sawyerpuram organized an interactive session on **"Postmodernism and Education"** on **26.03.2022**. The program was started with a prayer song by the Department Choir team. Dr. J. Clara Jeya Geetha, Assistant Professor of Chemistry welcomed the gathering. Dr. R. Immanuel gave a presidential Address. Dr. Caroline Daisy, Assistant Professor of Chemistry gave the introductory remarks about the program. Dr. H. Johnson Jeyakumar, Controller of Examinations, Pope's College and Prof. D. Jebastine, Head, Business Administration, Pope's College were felicitated the program. Dr. C. Ravi Samuel Raj, Associate Professor of Chemistry gave the introduction about the Resource person. Prof. R. Sellaraj Manuneethi, Head, Department of English, Pope's College was the resource Person.

The session was started with a talk of Prof. R. Sellaraj Manuneethi, Head, Department of English, Pope's College (Autonomous), Sawyerpuram. He discussed about what is modernism? What is postmodernism? Which period it was started? Also he discussed about the period of Queen Victoria in British. Postmodernism developed in the mid-twentieth century as a rejection of modernism and was then extended across many disciplines. Postmodernism is associated with deconstructionism and post-structuralism. In short, modernism and postmodernism give voice to

the insecurities, disorientation and fragmentation of the 20th century western world. Modernism made diminished the faith of god, rule of kings and blocked the spiritual life of men.

He emphasized, after modernism there is a conflict between science v/s traditions, machine v/s moral. Science affects the environment, so we need to look back to our traditions and identity.

Finally he highlighted the postmodernism has lot of demerits and we need to bring back the glory of God. Feedback was given by the participants of various Departments. Totally 25 students of UG and PG students of BBA, Zoology and Chemistry Departments were benefitted.

Finally the program was end with the vote of thanks by Krishnakumar, II M.Sc., Chemistry. The program wrapped up around 1.30 pm. Dr.B.Ravindran Durai Nayagam, Head, Department of Chemistry was the President, Dr.C.Ravi Samuel Raj, Associate Professor of Chemistry, Dr.Caroline Daisy, Assistant Professor of Chemistry and Dr,J,Clara Jeya Geetha, Assistant Professor of Chemistry were the Organizing Secretaries, Dr.J.Ilavarasi Jeyamalar, Dr.A.Emi Princess Prasana, Ms.L.Periyanayagi and Ms.G.Vijayalakshmi, Assistant Professor of Chemistry were the Co-ordinators made all the arrangements and made this program a grant success.

"BELIEVING IN YOURSELF"
REPORT

Date: 06.04.2022

The Department of Chemistry & Research Center of Pope's College, Sawyerpuram organized a motivational talk on "BELIEVING IN YOURSELF" on 06.04.2022 at 11 a.m. The program was started with a prayer song by the Department choir team. Dr.C.Ravi Samuel Raj, Organizing Secretary & Associate Professor of Chemistry welcomed the gathering. Dr.Caroline Daisy, Organizing Secretary introduced the Resource person. The session was started with a talk by the resource person Mr.K.Muthukumar, Project Associate, Materials Science and Technology Division, CSIR-NIIST, Thiruvananthapuram. He was the one of the prominent alumni of our College. He discussed about job opportunities, how to study in abroad with internship?. Also he gave tips for selecting a good company, importance of choosing a correct field of work and overall scope in chemistry. This program was useful for the PG students to select their future career. Finally Dr.B.Ravindran Durai Nayagam, Head, Department of Chemistry delivered the vote of thanks. All the arrangements were made by the faculty members of Chemistry.
