REPORT

The Department of Chemistry organised a guest lecture on "Alert, Aware and Achieve" on 16.03.'23 during 12.00-1.00 pm for second year undergraduate students of the department in the A/C seminar hall of chemistry department. Dr.P.Vijaya, Assistant Professor of Chemistry welcomed the gathering and Dr. C. Ravi Samuel Raj, Associate Professor of Chemistry introduced the resource person Prof.S. Gabriel Sathish, Assistant Professor of Business Administration, Pope's College. In his lecture the resource person emphasised the importance of alertness, which is the basis of achievement. He pointed out achievement rests on awareness and alertness. He listed the differences between rural and urban students and gave some tips for the students to achieve. He suggested a model for 3A's. Students gave the feedback and the program ended with a vote of thanks by Ms.J.Maria Libiyal, Ph.D. Research Scholar, Department of Chemistry. The program was arranged by the second chemistry students headed by the representative Ms.P.Pooja. Thirty three people are attended the program.
