Department of Economics

Manonmaniam Sundaranar University,

Tirunelveli, Tamil Nadu

About Pope's College

Pope's College located at Sawyerpuram is one of the oldest rural colleges in Thoothukudi District of Tamilnadu State. The college was started in 1962, in the name of Dr. George Uglow Pope, a revered missionary from England by a team of alumni members of the local school and Pioneer staff under the guidance of Prof. D.S. George Muller, the founder Principal. It has completed fifty years of its genuine and purposeful services to the community of the poor and backward students of this area. The college offers undergraduate and Post-graduate degree and research courses in a number of subjects. The significance of the college is that it has a dominant strength of rural women students. The college remains as one of the highest ranked colleges affiliated to Manonmaniam Sundaranar University, Tirunelveli, Accredited with 'A' Grade by NAAC. This graceful college is managed by the C.S.I. Thoothukudi – Nazareth Diocese based at Thoothukudi.

About the Department

The Department of Economics came into existence in 1962 with the Pre University course. Degree course was introduced in 1966 and Master Degree in 1987. The department has been elevated to the status of Research Centre in 2011 which is recognized by the Manonmaniam

Sundaranar University to enroll students as full time and part time scholars.

About the Seminar

The informal economy is a global pervasive phenomenon. According to the International Labour Organization, about 60 per cent of the world's employed population participates in the informal sector. It is prevalent in emerging and developing economies. The moment informal sectors get regulated; it creates the distinction between formal and informal. India is predominantly an Informal economy. The share of informal unorganised sector is more than 50% and given the size of India, dependency on surveys of unorganised informal sector is inevitable. The informal sector/unorganised sector consists of enterprises which are own account enterprises and operated by own account workers or unorganised enterprises employing hired workers. They are essentially proprietary and partnership enterprises. According to Oxfam's latest global report, out of the total 122 million people who lost their jobs in 2020, 75 percent were lost in the informal sector. This raises the need to provide social protection to the vulnerable informal sector. In the last few years, the Government of India has made several efforts to formalize the Indian economy via the introduction of the Goods and Services Tax (GST), digitalisation of financial

transactions and enrolment of informal sector workers on government portals such as **E-Shram**. Despite these well-intentioned efforts at formalization, the challenge of informality looms large for India. The novel corona virus pandemic has only exacerbated this challenge.

Lack of job security, absence of social security benefits, tax evasion, all point towards the need for the formalization of the informal sector at a faster yet sustainable pace. Policy interventions, fiscal support, education and upskilling have a major role to play in the formalization of the economy.

In this context the post Graduate and research Centre in Economics have organized a State level seminar to discuss the issue and draw a road map for policy intervention.

Sub Themes

1. Rural Non-Farm Economy in India.
2. Employment Generation through rural Non-Farm Sector in India: Challenges and Opportunities.
3. Reducing rural poverty through Non-farm job creation In India.
4. The rural non-farm Economy in India; Some policy Issues.
5. Growth and structure of rural non- Farm Employment in Tamil Nadu, Reflection from NSSO data in the Post –Reform Period.

6. Rural Non-farm employment for promoting rural economy and sustainable livelihood in India.

7. Non-farm production activity and the impact on economy.

8. Any other related titles.

Call for Papers

The State level seminar calls for research papers on the proposed title and sub-themes from the faculties of Universities, research institutions, colleges and research scholars.

Delegates who are willing to present papers shall submit full papers for 8 pages along with 300 words abstract in 1.5 space (12 font size in Times New Roman in MS Word). The title of the paper, authors name designation and address with email id must be clearly mentioned in the first page. **The contributors are requested to send a soft copy through e-mail seelithanam@gmail.com.** The selected papers will be published with ISBN number.

Schedule

Submission of Abstract : **24thFeb 2023**

Date of Registration : **27thFeb 2023**

Registration Fee

Students : **Rs. 100/-**

Research Scholars : **Rs. 200/-**

Faculty members & others : **Rs. 300/-**

ABOUT THE SEMINAR

The informal economy is a global pervasive phenomenon. According to the International Labour Organization, about 60 per cent of the world's employed population participates in the informal sector. It is prevalent in emerging and developing economies. The moment informal sectors get regulated; it creates the distinction between formal and informal. India is predominantly an Informal economy. The share of informal unorganised sector is more than 50 per cent and given the size of India, dependency on surveys of unorganised informal sector is inevitable. The informal sector/unorganised sector consists of enterprises which are own account enterprises and operated by own account workers or unorganised enterprises employing hired workers. They are essentially proprietary and partnership enterprises. According to Oxfam's latest global report, out of the total 122 million people who lost their jobs in 2020, 75 percent were lost in the informal sector. This raises the need to provide social protection to the vulnerable informal sector. In the last few years, the Government of India has made several efforts to formalize the Indian economy via the introduction of the Goods and Services Tax (GST), digitalisation of financial transactions and enrolment of informal sector workers on government portals such as **E-Shram**. Despite these well-intentioned efforts at formalization, the challenge of informality looms large for India. The novel corona virus pandemic has only exacerbated this challenge.

Lack of job security, absence of social security benefits, tax evasion, all point towards the need for the formalization of the informal sector at a faster yet sustainable pace. Policy interventions, fiscal support, education and up skilling have a major role to play in the formalization of the economy.

In this context the post Graduate and research Centre in Economics have organized a State level seminar to discuss the issue and draw a road map for policy intervention.

CONTENT

ABOUT POPE'S COLLEGE

Pope's College Located at Sawyerpuram is one of the oldest rural colleges in Thoothukudi District of Tamilnadu State. The college was started in 1962, in the name of Dr. George Uglow Pope, a revered missionary from England by a team of alumni members of the local school and Pioneer staff under the guidance of Prof. D.S. George Muller the founder Principal. It has completed sixty years of its genuine and purposeful services to the community of the poor and backward students of this area. The college offers undergraduate and Post-graduate degree and research courses in a number of subjects. The significance of the college is that it has a dominant strength of rural women students. The college remains as one of the highest ranked colleges affiliated to Manonmaniam Sundaranar University, Tirunelveli, Accredited with 'A' Grade by NAAC. This graceful college is managed by the C.S.I. Thoothukudi –Nazareth Diocese based at Thoothukudi.

ABOUT THE DEPARTMENT

The Department of Economics came into existence in 1962 with the Pre University course. Degree course was introduced in 1966 and Master Degree in 1987. The department has been elevated to the status of Research Centre in 2011 which is recognized by the Manonmaniam Sundaranar University to enroll students as full time and part time scholars. The M.Phil. degree started in 2013.
