REPORT

The Department of Chemistry and Research Centre of Pope's College (Autonomous) organized a One day Seminar entitled "Chemistry of Quantum Mechanics, Energy and Sustainable Environment" on 27th March 2023. The seminar started with the Inaugural ceremony at the Seminar Hall. Dr.Caroline Daisy, Co-Convenor, Assistant Professor of Chemistry welcomed the gathering and introduced the theme of the seminar. Dr.R.Selvakumar, Principal-in-charge offered the presidential address. Dr.B.Ravindran Durai Nayagam, Head & Associate Professor honoured the Chief Guest with the memento. Dr.J.Clara Jeya Geetha, Coordinator concluded the inaugural ceremony with the vote of thanks.

After the tea break Dr.S.Nagarajan, Assistant Professor of Chemistry, Manonmaniam Sundaranar University, Tirunelveli addressed the participants on "Energy and Sustainable Environment" in the Technical session I. He explained the hydrogen generator, photo catalyst and hydrogen gas. He also emphasized the new sustainable energy for the current generation. In this well created- lecture, he categorically explained how to use energy materials and the need of implementing such methods in the day today life in order to minimize the pollution level.

After the lunch break Dr. R.Subramanian, Assistant Professor of Chemistry, SRM Institute of Science and Technology, Trichy addressed the participants on "Quantum Mechanics". He also explained the software used in characterization in material science like DFT study. In addition to that he stressed the importance of studying about the software in the research.

In the valedictory session Dr. R.Subramanian, Assistant Professor of Chemistry, SRM Institute of Science and Technology, Trichy addressed in the valedictory. The participants from other colleges and Pope's College were encouraged by issuing participants certificate.

The participants interestingly expressed their views in the feedback session. The Seminar provided an ideal plat form for both the students and staff of various Colleges and promotes the opportunity to discuss about the responsibility to create the sustainable environment. Dr.Emi Princess Prasana delivered the vote of thanks. Finally, the Seminar successfully ended with the National Anthem.
