REPORT

The department of Chemistry organised a guest lecture on "Tamil and Science" on 28.3.2023 at our AC Seminar Hall from 2.30-3.45 pm. In this 38 students from III B.Sc. Chemistry and BBA participated. Dr. J. Ilavarasi Jeyamalar welcomed the gathering through her supreme command on Tamil literature being a poet, public speaker and debater. She highlighted the scholarship of the resource person Dr. A. Wellington, HOD of Tamil and the chief guest Dr. H. Johnson Jeyakumar, HOD of Physics belongs to this college. The chief guest pointed out the importance of command over the language, a life skill which is essential for the younger generation. He said this can be only achieved through reading, listening and practice. Dr. A. Wellington compared Tamil literature and science. He told, in sangam literature a comparable number of species with today's count are reported. Further he highlighted the different blood groups and male female difference and role of male as protector are in Tamil literature as well as later proved in science. Students and staff gave feedback. Prof.S.Gabriel Sathish, Assistant Professor of Business Administration recollected the oratory skills of the resource person and said such programs can transform the students to be an organic intellectual. The program ended with a vote of thanks by Dr. Caroline Daisy of our department highlighted the scholastic skills of Dr. A. Wellington.
