INVITATION

Dear Sir/Madam,

Warm Greetings! It is a great pleasure and honour that the Department of Mathematics, Pope's College, Sawyerpuram, invites the members of Faculty, Research Scholars, and Students to participate in State Level Seminar on 'Mathematical Structures & Data Science' on Wednesday 24th January 2024 in our college premises.

HISTORY OF THE INSTITUTION

Dr. George Uglow Pope, a revered missionary from England started a seminary at Sawyerpuram in 1880. It was later integrated with Madras Christian College. It was revived as a regular institution in the name of Pope's College in 1962 by the Old Students of Pope Memorial High School, Sawyerpuram and a team of dedicated Pioneer Staff members headed by Prof. D.S. George Muller who was the founder Principal of the present institution. It is a co-educational institution, affiliated with the Manonmaniam Sundaranar University, Tirunelveli.

The noble vision of the College is to create a center of excellence in higher education for shaping aspiring rural students irrespective of caste, faith and place through the dissemination of holistic knowledge, skills and Christian values. The college rightly believes in inculcating every one of its students the fear of God, which is the beginning of wisdom. Presently, the college remains one of the highest-ranked colleges affiliated with the Manonmaniam Sundaranar University, Tirunelveli

with 'A' grade through NAAC accreditation (Cycle II) with a CGPA 3.28. The college has been conferred with autonomous status in 2017 by UGC. It is managed by the C.S.I Thoothukudi Nazareth Diocese.

ABOUT THE DEPARTMENT

The Department of Mathematics was established in the year 1962, offering Mathematics at Pre University level. The B.Sc Degree Course was introduced in the year 1965. In the academic year 2006-2007, the department was upgraded to the Post Graduate Department with the introduction of M.Sc (Mathematics) Programme. The department is equipped with experienced faculty members with rich teaching experience.

ABOUT THE SEMINAR

The Seminar will provide a platform for the participants from all parts of the states to enrich their knowledge and share their experiences by presenting and discussing various recent findings in different areas of Mathematics and interact with experts of varied experiences in research.

OBJECTIVE OF THE SEMINAR

The objective behind organizing this Seminar is to develop a greater understanding of new findings and applications in Mathematics to innovate knowledge and resources. This Seminar highlights certain Mathematical Structures beyond our perspective and the path to Data Science. It also gives opportunity to young researchers for fruitful discussion, interaction and motivates the participants to carry out research in these fields.

THE COMPONENTS OF THE SEMINAR

Invited Talks

There will be invited lectures in the area of Discrete structure, Number Theory, Puzzles in Mathematics and Data Science by eminent experts from these fields.
